IMAGINE YOUR FUTURE

Draw yourself in your future career.

What kind of work would you love to do? Show yourself helping someone.

MY FUTURE JOB: _____

I COULD HELP PEOPLE BY:

_____

_____

I am a STEAM explorer.

Every new question can be the start of your next adventure.

THIS BOOK BELONGS TO

_____

My favorite discovery today was...

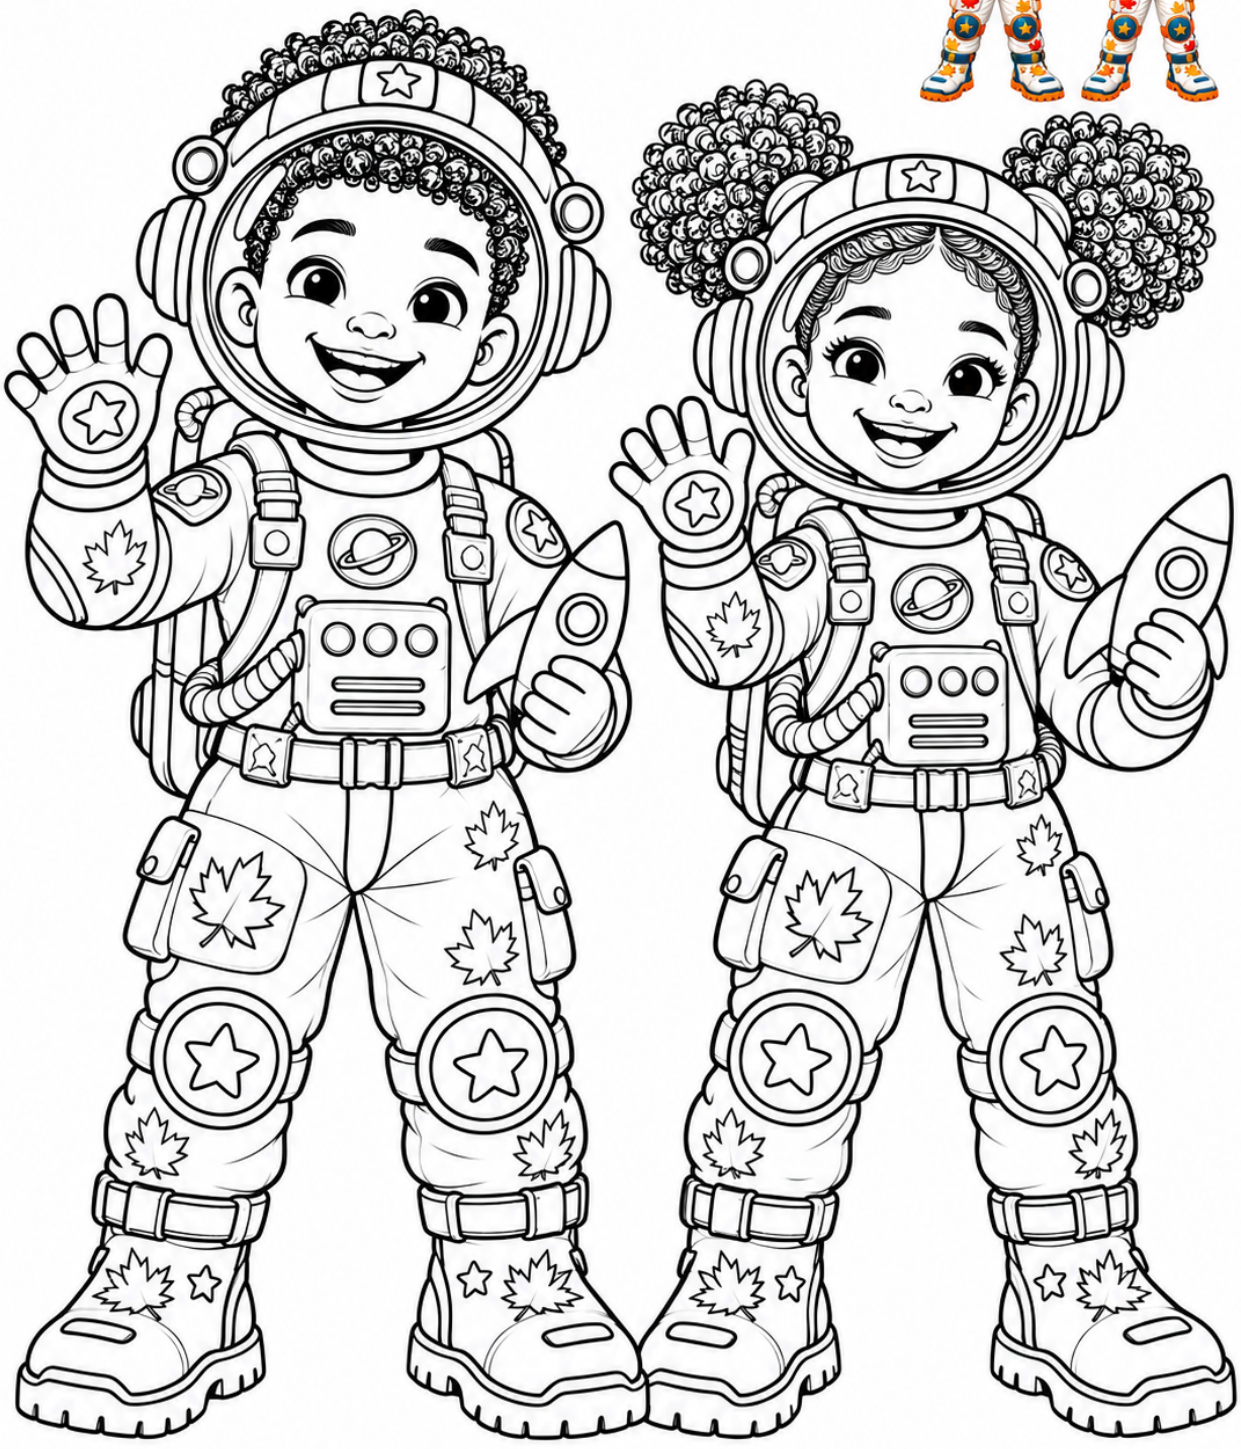
A question I want to explore is...

A STEAM career I would like to try is...

Keep asking. Keep making. Keep discovering.

Astronauts

Use the small color picture as a guide,
or invent a color story of your own.



Where would you explore in space?

Paleontologists

Use the small color picture as a guide,
or invent a color story of your own.

What could a fossil tell us about the past?

Robotics engineers

Use the small color picture as a guide,
or invent a color story of your own.

What helpful job would you give your robot?

Aviation pilots

Use the small color picture as a guide,
or invent a color story of your own.

Where would you fly on your first adventure?

COLOR YOUR FUTURE

Lab scientists

Use the small color picture as a guide,
or invent a color story of your own.

What question would you like to investigate?

Doctors / Nurses

Use the small color picture as a guide,
or invent a color story of your own.

How could you help someone feel welcome and cared for?

THE ADVENTURE CONTINUES

Keep your curiosity growing.

Bring a question home. Share a discovery. Imagine what comes next.
